

Company Presentation

Good to GREAT

From 1989, Caterways has been developing the market in Cyprus, Greece and overseas, offering solutions to customers' packaging needs.

Since January 2013, our company operates from a state of the art facility located in the entrance of Nicosia

CATERWAYS

VISION

To become a multinational company, a major player in our field.

PURPOSE

We provide consistent quality products at competitive prices. We are service oriented, customer focused and fast to deliver results. We care for our people, our shareholders and the communities in which we live and work to achieve prosperity

VALUES

Resolute - Ethical - Accountable - Faithful - Innovative

PRINCIPLES

Safety – Quality – Cashflow – Profitability – Service – Sales

CULTURE

Our culture: Living excellence as a team.

SUSTAINABILITY

Go Green - There is No Planet B!
Save the ecosystem, the environment, the forests and the oceans.

STRATEGY

We offer a one stop supply solution to the food service and packaging industry, and build long term business relationships.

DIRECTION

True North! All our activities are guided by our Vision, Purpose, Values, Principles, Culture, Sustainability and Strategy.

THE 3RD ERA FROM 2018

GOOD TO GREAT PROJECT

Main Objectives

- ✓ Put health and safety first
- ✓ Offer consistent quality products
- ✓ Offer immaculate service
- ✓ Competitive prices
- ✓ Build and maintain high level business relationships
- ✓ Company to offer goods and services beyond expectation
- ✓ Enemy of Great is good

GO GREEN

We have launched a new line of Sustainable Packaging that captures the latest innovations in the industry.

Social responsibility, respect and care for the environment requires action today and we are committed to reduce our environmental impact.

Our new range will consist of items made from environmentally friendly materials that are renewable, plant based, biodegradable, compostable or recyclable.

We believe that we have a duty to the next generations and the environment to collectively develop a sustainable, circular economy.
