CORPORATE SOCIAL RESPONSIBILITY

The mark of responsible forestry
Growing Resolute Ethical Accountable Teams
VISION
To become a multinational company, a major player in our field.

PURPOSE
We provide consistent quality products at competitive prices. We are service oriented, customer focused and fast to deliver results. We care for our people, our shareholders and the communities in which we live and work to achieve prosperity.

VALUES
Resolute - Ethical - Accountable - Faithful - Innovative

PRINCIPLES
Safety – Quality – Cashflow – Profitability – Service – Sales

CULTURE
Our culture: Living excellence as a team.

SUSTAINABILITY
Go Green - There is No Planet B!
Save the ecosystem, the environment, the forests and the oceans.

STRATEGY
We offer a one stop supply solution to the food service and packaging industry, and build long term business relationships.

DIRECTION
True North! All our activities are guided by our Vision, Purpose, Values, Principles, Culture, Sustainability and Strategy.
Main Objectives

- Put health and safety first
- Offer consistent quality products
- Offer immaculate service
- Competitive prices
- Build and maintain high level business relationships
- Company to offer goods and services beyond expectation
- Enemy of Great is good
We have launched a new line of Sustainable Packaging that captures the latest innovations in the industry.

Social responsibility, respect and care for the environment requires action today and we are committed to reduce our environmental impact.

Our new range will consist of items made from environmentally friendly materials that are renewable, plant based, biodegradable, compostable or recyclable.

We believe that we have a duty to the next generations and the environment to collectively develop a sustainable, circular economy.
